

This month's recipe for SARTÙ comes from a wonderful cookbook called *The Silver Spoon* published by Phaidon Press. The recipe is found on page 344 of the cookbook in the *Timbales* section of the book.

*The Silver Spoon* has been Italy's best-selling cookbook for over 50 years and is considered to be the bible of authentic Italian cooking.

You should consider purchasing this cookbook as part of your culinary library.

Here is a link to an online vendor offering a nice discount on this classic cookbook.
